Accepted Manuscript

Title: *Geobacter*-dominated biofilms used as amperometric BOD sensors

Author: Audrey S Commault Gavin Lear Solène Bouvier Lukas Feiler Jasmine Karacs Richard J Weld

PII: S1369-703X(16)30011-0
DOI: http://dx.doi.org/doi:10.1016/j.bej.2016.01.011
Reference: BEJ 6383

To appear in: *Biochemical Engineering Journal*

Received date: 21-9-2015
Revised date: 26-12-2015
Accepted date: 13-1-2016

Please cite this article as: Audrey S Commault, Gavin Lear, Sol*gravee*ne Bouvier, Lukas Feiler, Jasmine Karacs, Richard J Weld, Geobacter-dominated biofilms used as amperometric BOD sensors, Biochemical Engineering Journal http://dx.doi.org/10.1016/j.bej.2016.01.011

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

ACCEPTED MANUSCRIPT

Geobacter-dominated biofilms used as amperometric BOD sensors
