Host cell protein removal from biopharmaceutical preparations:
Towards the implementation of quality by design

Cher Hui Goey, Sakhr Alhuthali, Cleo Kontoravdi

PII: S0734-9750(18)30072-7
DOI: doi:[10.1016/j.biotechadv.2018.03.021](https://doi.org/10.1016/j.biotechadv.2018.03.021)
Reference: JBA 7247
To appear in: *Biotechnology Advances*
Received date: 21 September 2017
Revised date: 12 February 2018
Accepted date: 29 March 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Host cell protein removal from biopharmaceutical preparations: toward the Implementation of Quality by Design

Cher Hui Goey^a, Sakhr Alhuthali^a and Cleo Kontoravdi^{a,*}
