

Author's Accepted Manuscript

Anaerobic Production of Medium-Chain Fatty Alcohols via a β -Reduction Pathway

Christopher R. Mehrer, Matthew R. Incha, Mark C. Politz, Brian F. Pflieger

www.elsevier.com/locate/ymben

PII: S1096-7176(18)30138-1
DOI: <https://doi.org/10.1016/j.ymben.2018.05.011>
Reference: YMBEN1409

To appear in: *Metabolic Engineering*

Received date: 15 April 2018
Revised date: 11 May 2018
Accepted date: 23 May 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
