

Accepted Manuscript

Title: Recent biotechnology developments and trends in the Russian Federation

Authors: Alina Osmakova, Michael Kirpichnikov, Vladimir Popov

PII: S1871-6784(16)32669-3
DOI: <http://dx.doi.org/doi:10.1016/j.nbt.2017.06.001>
Reference: NBT 982

To appear in:

Received date: 4-1-2017
Revised date: 3-5-2017
Accepted date: 8-6-2017

Please cite this article as: Osmakova, Alina, Kirpichnikov, Michael, Popov, Vladimir, Recent biotechnology developments and trends in the Russian Federation. *New Biotechnology* <http://dx.doi.org/10.1016/j.nbt.2017.06.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Recent biotechnology developments and trends in the Russian Federation
