Highlights

Recommended measures to develop the EU bioeconomy:

1. Improve opportunities for feedstock producers and examine scope for novel biomass;
2. Develop competitive workforce and improve incentives to promote the bioeconomy;
3. Improve awareness of bio-based products and EU pilot and demonstration facilities;
4. Promote coproducts from processing and improve bioconversion/downstream processing;
5. Improve financing for large-scale biorefinery projects and stakeholder relations.
