

## Accepted Manuscript

Title: Effect of cosubstrate on xylitol production by *Debaryomyces nepalensis* NCYC 3413: a cybernetic modelling approach

Authors: Pappu Sharon Mano J., Sathyanarayana N. Gummadi

PII: S1359-5113(18)30270-8  
DOI: <https://doi.org/10.1016/j.procbio.2018.03.023>  
Reference: PRBI 11308

To appear in: *Process Biochemistry*

Received date: 16-2-2018  
Revised date: 23-3-2018  
Accepted date: 25-3-2018

Please cite this article as: Pappu Sharon Mano J, Gummadi Sathyanarayana N. Effect of cosubstrate on xylitol production by *Debaryomyces nepalensis* NCYC 3413: a cybernetic modelling approach. *Process Biochemistry* <https://doi.org/10.1016/j.procbio.2018.03.023>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

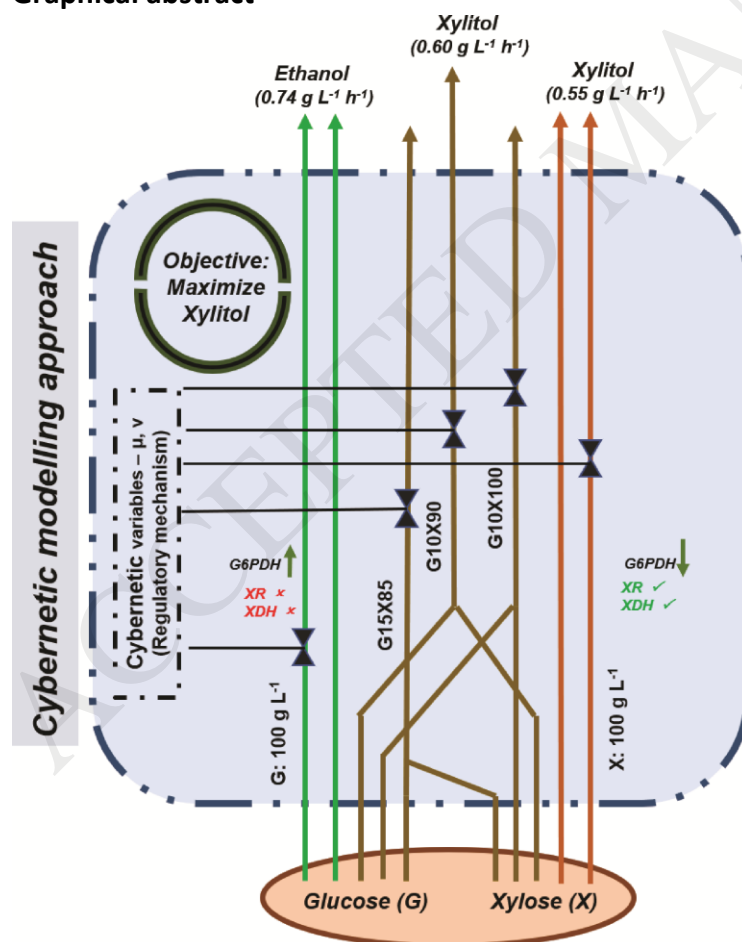

# Effect of cosubstrate on xylitol production by *Debaryomyces nepalensis* NCYC 3413: a cybernetic modelling approach
