

List of Reviewers 2013

The standard of a scientific journal is to a great extent dependent on the quality of its reviewers. The increased impact factor of the journal is thus also thanks to all reviewers, all those scientists that volunteer to contribute to improving the quality of Computers and Electronics in Agriculture by guiding the authors in their efforts to communicate their results. Computers and Electronics in Agriculture would like to thank the following reviewers for their important contribution to the quality of the journal in 2013.
