

## Accepted Manuscript

Direct Sample Analysis-Mass Spectrometry vs Separation Mass Spectrometry  
Techniques for the Analysis of Writing Inks

Lucy Nguyen, Mehdi Moini

PII: S2468-1709(16)30025-X  
DOI: <http://dx.doi.org/10.1016/j.forc.2016.07.007>  
Reference: FORC 11

To appear in: *Forensic Chemistry*

Received Date: 3 May 2016  
Revised Date: 20 July 2016  
Accepted Date: 29 July 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
