Aminoclays for Biological and Environmental Applications: An Updated Review

Vu Khac Hoang Bui, Duckshin Park, Young-Chul Lee

PII: S1385-8947(17)32173-3
DOI: <https://doi.org/10.1016/j.cej.2017.12.052>
Reference: CEJ 18213

To appear in: *Chemical Engineering Journal*

Received Date: 6 September 2017
Revised Date: 8 December 2017
Accepted Date: 11 December 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Aminoclays for Biological and Environmental Applications: An Updated Review
