

## Accepted Manuscript

Bromate reduction in water promoted by metal catalysts prepared over faujasite zeolite

Olívia S.G.P. Soares, Cátia M.A.S. Freitas, António M. Fonseca, José J.M. Órfão, Manuel F.R. Pereira, Isabel C. Neves

PII: S1385-8947(16)30061-4  
DOI: <http://dx.doi.org/10.1016/j.cej.2016.01.093>  
Reference: CEJ 14712

To appear in: *Chemical Engineering Journal*

Received Date: 18 November 2015  
Revised Date: 26 January 2016  
Accepted Date: 27 January 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
