

Accepted Manuscript

Titanium White Sulfuric Acid Concentration by Direct Contact Membrane Distillation

Xuan Feng, Lan Ying Jiang, Yang Song

PII: S1385-8947(15)01335-2
DOI: <http://dx.doi.org/10.1016/j.cej.2015.09.064>
Reference: CEJ 14220

To appear in: *Chemical Engineering Journal*

Received Date: 3 August 2015
Revised Date: 19 September 2015
Accepted Date: 21 September 2015

Please cite this article as: X. Feng, L.Y. Jiang, Y. Song, Titanium White Sulfuric Acid Concentration by Direct Contact Membrane Distillation, *Chemical Engineering Journal* (2015), doi: <http://dx.doi.org/10.1016/j.cej.2015.09.064>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Titanium White Sulfuric Acid Concentration by Direct Contact
Membrane Distillation**
