

Accepted Manuscript

Membrane-free electrodeionization for purification of wastewater containing low concentration of nickel ions

Xiaolan Shen, Zhixing Fang, Jiayuan Hu, Xueming Chen

PII: S1385-8947(15)00904-3
DOI: <http://dx.doi.org/10.1016/j.cej.2015.06.064>
Reference: CEJ 13836

To appear in: *Chemical Engineering Journal*

Received Date: 29 April 2015
Revised Date: 11 June 2015
Accepted Date: 12 June 2015

Please cite this article as: X. Shen, Z. Fang, J. Hu, X. Chen, Membrane-free electrodeionization for purification of wastewater containing low concentration of nickel ions, *Chemical Engineering Journal* (2015), doi: <http://dx.doi.org/10.1016/j.cej.2015.06.064>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Membrane-free electrodeionization for purification of wastewater containing low concentration of nickel ions
