

Accepted Manuscript

Nanotechnology in the agrofood industry

Elena Villena de Francisco, Rosa M. García-Esteva

PII: S0260-8774(18)30227-9
DOI: 10.1016/j.jfoodeng.2018.05.024
Reference: JFOE 9268
To appear in: *Journal of Food Engineering*
Received Date: 09 November 2017
Accepted Date: 23 May 2018

Please cite this article as: Elena Villena de Francisco, Rosa M. García-Esteva, Nanotechnology in the agrofood industry, *Journal of Food Engineering* (2018), doi: 10.1016/j.jfoodeng.2018.05.024

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Nanotechnology in the agrofood industry**
