

Accepted Manuscript

Title: Simultaneous treatment of copper wastewater and biomass waste in supercritical water

Authors: Qingyun Chen, Jing Yang, Hui Jin, Yunhai Wang

PII: S0896-8446(17)30950-6
DOI: <https://doi.org/10.1016/j.supflu.2018.04.014>
Reference: SUPFLU 4254

To appear in: *J. of Supercritical Fluids*

Received date: 28-12-2017
Revised date: 13-4-2018
Accepted date: 15-4-2018

Please cite this article as: Qingyun Chen, Jing Yang, Hui Jin, Yunhai Wang, Simultaneous treatment of copper wastewater and biomass waste in supercritical water, The Journal of Supercritical Fluids <https://doi.org/10.1016/j.supflu.2018.04.014>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Simultaneous treatment of copper wastewater and biomass waste in supercritical water
