

## Accepted Manuscript

Title: The role of supercritical fluids in the fractionation pretreatments of a wheat bran-based biorefinery

Author: E. Alonso

PII: S0896-8446(17)30364-9

DOI: <http://dx.doi.org/10.1016/j.supflu.2017.09.010>

Reference: SUPFLU 4036

To appear in: *J. of Supercritical Fluids*

Received date: 19-5-2017

Revised date: 7-9-2017

Accepted date: 7-9-2017

Please cite this article as: E.Alonso, The role of supercritical fluids in the fractionation pretreatments of a wheat bran-based biorefinery, The Journal of Supercritical Fluids <http://dx.doi.org/10.1016/j.supflu.2017.09.010>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**The role of supercritical fluids in the fractionation pretreatments of a wheat bran-based biorefinery**

E. Alonso\*
