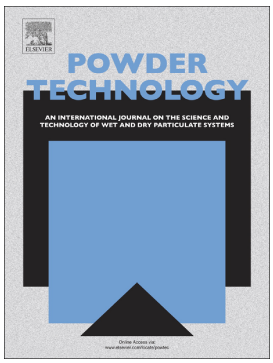
Accepted Manuscript



Predictive population balance model development and validation of the effect of high shear wet granulation process parameters on granule properties

Anik Chaturbedi, Preetanshu Pandey, Dilbir Bindra, Jay Poorna Reddy, Bo Lang, David Buckley, Rohit Ramachandran

PII: S0032-5910(18)30493-5
DOI: doi:10.1016/j.powtec.2018.07.004
Reference: PTEC 13486

To appear in: *Powder Technology*

Received date: 14 March 2018
Revised date: 29 May 2018
Accepted date: 2 July 2018
