

# Accepted Manuscript

Reuse of Powder Feedstock for Directed Energy Deposition

Benjamin E. MacDonald, James C. Haley, Julie M. Schoenung

PII: S0032-5910(18)30566-7  
DOI: doi:[10.1016/j.powtec.2018.07.065](https://doi.org/10.1016/j.powtec.2018.07.065)  
Reference: PTEC 13547  
To appear in: *Powder Technology*  
Received date: 23 January 2018  
Revised date: 6 June 2018  
Accepted date: 17 July 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
