

# Accepted Manuscript

Indoor volatile organic compounds at an Australian university

Nigel B. Goodman, Amanda J. Wheeler, Phillip J. Paevere, Paul W. Selleck, Min Cheng, Anne Steinemann

PII: S0360-1323(18)30107-0

DOI: [10.1016/j.buildenv.2018.02.035](https://doi.org/10.1016/j.buildenv.2018.02.035)

Reference: BAE 5319

To appear in: *Building and Environment*

Received Date: 8 December 2017

Revised Date: 21 February 2018

Accepted Date: 22 February 2018

Please cite this article as: Goodman NB, Wheeler AJ, Paevere PJ, Selleck PW, Cheng M, Steinemann A, Indoor volatile organic compounds at an Australian university, *Building and Environment* (2018), doi: 10.1016/j.buildenv.2018.02.035.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
