Investigating Influence of Mineral Filler at Asphalt Mixture and Mastic Scales

Aboelkasim Diab, Mahmoud Enieb

PII: S1996-6814(17)30170-0
DOI: <https://doi.org/10.1016/j.ijprt.2017.10.008>
Reference: IJPRT 142

To appear in: *International Journal of Pavement Research and Technology*

Received Date: 26 June 2017
Revised Date: 19 October 2017
Accepted Date: 25 October 2017

Please cite this article as: A. Diab, M. Enieb, Investigating Influence of Mineral Filler at Asphalt Mixture and Mastic Scales, *International Journal of Pavement Research and Technology* (2017), doi: <https://doi.org/10.1016/j.ijprt.2017.10.008>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Investigating Influence of Mineral Filler at Asphalt Mixture and Mastic**

2 **Scales**
