Study on the Microscopic Friction Between Tire and Asphalt Pavement Based on Molecular Dynamics Simulation

Yue Hou, Hanfei Zhang, Jiangfeng Wu, Linbing Wang, Haocheng Xiong

PII: S1996-6814(16)30197-3
DOI: <http://dx.doi.org/10.1016/j.ijprt.2017.09.001>
Reference: IJPRT 117

To appear in: *International Journal of Pavement Research and Technology*

Received Date: 9 September 2016
Revised Date: 13 June 2017
Accepted Date: 5 September 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Study on the Microscopic Friction Between Tire and Asphalt Pavement Based on
Molecular Dynamics Simulation**
