

Accepted Manuscript

An efficient, recoverable solid base catalyst of magnetic bamboo charcoal: preparation, characterization, and performance in biodiesel production

Kang Liu, Rui Wang, Meiqing Yu

PII: S0960-1481(18)30517-2
DOI: 10.1016/j.renene.2018.04.092
Reference: RENE 10050
To appear in: *Renewable Energy*
Received Date: 13 November 2017
Revised Date: 01 February 2018
Accepted Date: 30 April 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
