

# Accepted Manuscript

Effect of the diffuser efficiency on wind turbine performance

Jerson R.P. Vaz, David H. Wood

PII: S0960-1481(18)30420-8

DOI: [10.1016/j.renene.2018.04.013](https://doi.org/10.1016/j.renene.2018.04.013)

Reference: RENE 9971

To appear in: *Renewable Energy*

Received Date: 27 November 2017

Revised Date: 2 April 2018

Accepted Date: 4 April 2018

Please cite this article as: Vaz JRP, Wood DH, Effect of the diffuser efficiency on wind turbine performance, *Renewable Energy* (2018), doi: 10.1016/j.renene.2018.04.013.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Effect of the Diffuser Efficiency on Wind Turbine Performance
