Title: Energy Management and Voltage Stabilization in an Islanded Microgrid through an Electric Vehicle Charging Station

Author: Shakti Singh Shubhangi Jagota Mukesh Singh

PII: S2210-6707(17)31645-1
DOI: <https://doi.org/doi:10.1016/j.scs.2018.05.055>
Reference: SCS 1133

To appear in:

Received date: 2-12-2017
Revised date: 13-5-2018
Accepted date: 30-5-2018

Please cite this article as: Shakti Singh, Shubhangi Jagota, Mukesh Singh, Energy Management and Voltage Stabilization in an Islanded Microgrid through an Electric Vehicle Charging Station, *Sustainable Cities and Society* (2018), <https://doi.org/10.1016/j.scs.2018.05.055>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Energy Management and Voltage Stabilization in an Islanded Microgrid through an Electric Vehicle Charging Station

Shakti Singh*, Shubhangi Jagota, Mukesh Singh

Thapar Institute of Engineering and Technology, Patiala, Punjab, India
