This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Gun and Non-Gun Related Violence Exposure and Risk for Subsequent Gun Carrying Among Male Juvenile Offenders

RH = VIOLENCE EXPOSURE AND YOUTH GUN CARRYING

Clinical Guidance

Accepted January 31, 2018

Jordan Beardslee, PhD, Edward Mulvey, PhD, Carol Schubert, MA, Paul Allison, PhD, Aryn Infante, MA, Dustin Pardini, PhD

Drs. Beardslee and Pardini, and Ms. Infante are with Arizona State University. Dr. Mulvey and Ms. Schubert are with the University of Pittsburgh Medical Center. Dr. Allison is with the University of Pennsylvania.

Data collection for The Pathways Study was funded by the Office of Juvenile Justice and Delinquency Prevention (2007-MU-FX-0002), National Institute of Justice (2008-IJ-CX-0023), John D. and Catherine T. MacArthur Foundation, William T. Grant Foundation, Robert Wood Johnson Foundation, William Penn Foundation, Center for Disease Control, National Institute on Drug Abuse (R01DA019697), Pennsylvania Commission on Crime and Delinquency, and the Arizona Governor's Justice Commission. The University of Pittsburgh School of Medicine and the Eunice Kennedy Shriver National Institute of Child Health and Human Development of the National Institutes of Health (R01HD086761) supported the data analysis and writing of this paper. This support does not imply endorsement of the findings or conclusions of this paper. Drs. Allison and Pardini served as statistical experts for this research.

Disclosure: Drs. Beardslee, Mulvey, Allison, Pardini, and Mss. Schubert and Infante report no biomedical financial interests or potential conflicts of interest.
