Eating styles in major depressive disorder: Results from a large-scale study

Nadine P.G. Paans, Mariska Bot, Tatjana van Strien, Ingeborg A. Brouwer, Marjolein Visser, Brenda W.J.H. Penninx

PII: S0022-3956(17)30872-5

DOI: [10.1016/j.jpsychires.2017.11.003](https://doi.org/10.1016/j.jpsychires.2017.11.003)

Reference: PIAT 3246

To appear in: *Journal of Psychiatric Research*

Received Date: 4 August 2017

Revised Date: 6 November 2017

Accepted Date: 6 November 2017

Please cite this article as: Paans NPG, Bot M, van Strien T, Brouwer IA, Visser M, Penninx BWJH, Eating styles in major depressive disorder: Results from a large-scale study, *Journal of Psychiatric Research* (2017), doi: 10.1016/j.jpsychires.2017.11.003.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Eating styles in major depressive disorder: Results from a large-scale study**
