Amyloid pathology in the progression to mild cognitive impairment

Philip S. Insel, Oskar Hansson, R. Scott Mackin, Michael Weiner, Niklas Mattsson

PII: S0197-4580(17)30413-X

DOI: [10.1016/j.neurobiolaging.2017.12.018](https://doi.org/10.1016/j.neurobiolaging.2017.12.018)

Reference: NBA 10114

To appear in: *Neurobiology of Aging*

Received Date: 29 August 2017

Revised Date: 12 December 2017

Accepted Date: 18 December 2017

Please cite this article as: Insel, P.S., Hansson, O., Mackin, R.S., Weiner, M., Mattsson, N., for the Alzheimer's Disease Neuroimaging Initiative, Amyloid pathology in the progression to mild cognitive impairment, *Neurobiology of Aging* (2018), doi: 10.1016/j.neurobiolaging.2017.12.018.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Amyloid pathology in the progression to mild cognitive impairment**
