Death by colour: differential cone loss in the ageing mouse retina

Alexander Cunea , Michael B. Powner , Glen Jeffery

PII: S0197-4580(14)00361-3

DOI: [10.1016/j.neurobiolaging.2014.05.012](https://doi.org/10.1016/j.neurobiolaging.2014.05.012)

Reference: NBA 8888

To appear in: *Neurobiology of Aging*

Received Date: 17 January 2014

Revised Date: 5 May 2014

Accepted Date: 11 May 2014

Please cite this article as: Cunea, A., Powner, M.B., Jeffery, G., Death by colour: differential cone loss in the ageing mouse retina, *Neurobiology of Aging* (2014), doi: 10.1016/j.neurobiolaging.2014.05.012.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Death by colour: differential cone loss in the ageing mouse retina
