Title: Dysfunctional stress responses in chronic pain

Author: Alain Woda Pascale Picard Frédéric Dutheil

PII: S0306-4530(16)30148-2

DOI: <http://dx.doi.org/doi:10.1016/j.psyneuen.2016.05.017>

Reference: PNEC 3292

To appear in:

Received date: 4-1-2016

Revised date: 6-4-2016

Accepted date: 18-5-2016

Please cite this article as: Woda, Alain, Picard, Pascale, Dutheil, Frédéric, Dysfunctional stress responses in chronic pain. *Psychoneuroendocrinology* <http://dx.doi.org/10.1016/j.psyneuen.2016.05.017>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Dysfunctional stress responses in chronic pain

Highlights

- Many dysfunctional and chronic pain conditions overlap.
- Chronic deregulation of the adaptive response to stress may be the common factor.
