This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

MT & AOP in Long-Term & Psychiatric Residential Care

**A Constructivist Grounded Theory Research Project Studying Music Therapy as an  
Anti-Oppressive Practice in Long-Term and Psychiatric Residential Care**

Sue Baines, PhD, MTA  
Jane Edwards, PhD, RMT

Dr. Sue Baines: Capilano University in North Vancouver, BC, Canada, Faculty of the  
Music Therapy Department [sbaines@capilanou.ca](mailto:sbaines@capilanou.ca)

Dr. Jane Edwards: Associate Dean Research, Faculty of Humanities, Arts, Social  
Sciences and Education, University of New England, Armidale, New South Wales,  
Australia [jedwar51@une.edu.au](mailto:jedwar51@une.edu.au)

Corresponding Author: Sue Baines, 2312 St Catherines St., Vancouver, BC, Canada,  
V5T 3X7.

Dr. Sue Baines teaches in the music therapy program at Capilano University and  
researches links between music therapy and social justice. She is the Editor-in-Chief for  
the Canadian Journal of Music Therapy and on the Editorial Review Board for Arts in  
Psychotherapy. She continues to practice music therapy in long-term care and in a short-  
term locked psychiatric residence for persons with dual-diagnosis intellectual  
deficit/mental health.

Dr. Jane Edwards is program leader for mental health at Deakin University, Victoria,  
Australia where she is course director for the newly introduced Master of Child Play  
Therapy. Jane is an experienced supervisor of qualitative health PhDs with expertise in  
Grounded Theory, Narrative, Arts Based, and Phenomenological approaches. She was  
formerly head of music therapy training at universities in Australia and Ireland for more  
than two decades. She is a lifespan practitioner with a special interest in child and family  
work.
