This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Cinema, Aesthetics and Narrative: Cinema as Therapy in Substance Use Disorders

Ana Filipa Correia and Sofia Barbosa

Hospital Prof. Doutor Fernando Fonseca, E.P.E., Amadora, Portugal

Author Note

Ana Filipa Correia, Department of Psychiatry, Hospital Prof. Doutor Fernando Fonseca, E.P.E.; Sofia Barbosa, Department of Psychiatry, Hospital Prof. Doutor Fernando Fonseca, E.P.E..

The authors would like to express their deepest gratitude to elements of the technical team of the institution where this work was performed, for all the help provided during the development and application of the therapeutic activity described in this paper; to Dulce Neves, for the help in analysing the data; and to José Ramos, Pedro Mourão-Ferreira and Teresa Maia, for the critical review of this article. Both authors contributed equally to this work.

This research did not receive any specific grant from funding agencies in the public, commercial, or non-for-profit sectors. Conflicts of interest: none for any author.

Correspondence concerning this article should be addressed to Ana Filipa Correia, Department of Psychiatry, Hospital Prof. Doutor Fernando Fonseca, E.P.E., IC19, 2720-276 Amadora, Portugal. E-mail: correia.afb@gmail.com
