

Accepted Manuscript

Simulation as an educational tool in acute nursing care a controlled intervention study

Britt E. Jørgensen, Mona Larsen, Bibi Gram

PII: S1471-5953(16)30163-9

DOI: [10.1016/j.nepr.2018.07.001](https://doi.org/10.1016/j.nepr.2018.07.001)

Reference: YNEPR 2425

To appear in: *Nurse Education in Practice*

Received Date: 7 November 2016

Revised Date: 26 June 2018

Accepted Date: 3 July 2018

Please cite this article as: Jørgensen, B.E., Larsen, M., Gram, B., Simulation as an educational tool in acute nursing care a controlled intervention study, *Nurse Education in Practice* (2018), doi: 10.1016/j.nepr.2018.07.001.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**SIMULATION AS AN EDUCATIONAL TOOL IN
ACUTE NURSING CARE
A CONTROLLED INTERVENTION STUDY
