Second Author: Judith M. Jarosinski, Associate Professor

Salisbury University, Department of Nursing,

Salisbury, MD

USA

Email: jmjarosinski@salisbury.edu

Phone: +011256.910.409.5393

Word count: 1,777

Acknowledgements

We acknowledge the coaching and mentoring of Dr. Lynx McClellan in assisting with the development of the research course. She was instrumental in providing encouragement, assistance, and scholarly course activities throughout the semester. We also wish to thank Martha Walls and Betty Grubb for their clinical and administrative expertise. This project would not have been possible without their interest in exploring new and creative ways in providing professional development opportunities based on national guidelines and practice performance indicators for nurses on the unit.
