

## Accepted Manuscript

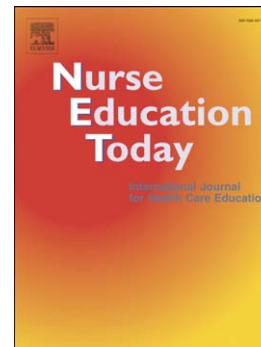

Transition to Specialty Practice Program Characteristics and Professional Development Outcomes

Julia Morphet, Bridie Kent, Virginia Plummer, Julie Considine

PII: S0260-6917(16)30075-2  
DOI: doi: [10.1016/j.nedt.2016.05.017](https://doi.org/10.1016/j.nedt.2016.05.017)  
Reference: YNEDT 3295

To appear in: *Nurse Education Today*

Received date: 1 July 2015  
Revised date: 18 April 2016  
Accepted date: 19 May 2016

Please cite this article as: Morphet, Julia, Kent, Bridie, Plummer, Virginia, Considine, Julie, Transition to Specialty Practice Program Characteristics and Professional Development Outcomes, *Nurse Education Today* (2016), doi: [10.1016/j.nedt.2016.05.017](https://doi.org/10.1016/j.nedt.2016.05.017)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**TRANSITION TO SPECIALTY PRACTICE PROGRAM CHARACTERISTICS**  
**AND PROFESSIONAL DEVELOPMENT OUTCOMES**
