Transmission Line Model for Analysis of Microstrip Travelling Wave Antennas with Right Angled Bends

Kaushik Patra, Sayantan Dhar, Bhaskar Gupta

PII: S1434-8411(17)31630-8

DOI: <https://doi.org/10.1016/j.aeue.2017.11.018>

Reference: AEUE 52134

To appear in: *International Journal of Electronics and Communications*

Received Date: 6 July 2017

Accepted Date: 18 November 2017

Please cite this article as: K. Patra, S. Dhar, B. Gupta, Transmission Line Model for Analysis of Microstrip Travelling Wave Antennas with Right Angled Bends, *International Journal of Electronics and Communications* (2017), doi: <https://doi.org/10.1016/j.aeue.2017.11.018>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Transmission Line Model for Analysis of Microstrip Travelling Wave Antennas with Right Angled Bends
