Accepted Manuscript

CROP: Cognitive radio ROuting Protocol for link quality channel diverse cognitive networks

Jai Sukh Paul Singh, Mritunjay Kumar Rai

PII: S1084-8045(17)30418-6

DOI: 10.1016/j.jnca.2017.12.014

Reference: YJNCA 2034

To appear in: *Journal of Network and Computer Applications*

Received Date: 22 March 2017

Revised Date: 11 October 2017

Accepted Date: 11 December 2017

Please cite this article as: Singh, J.S.P., Rai, M.K., CROP: Cognitive radio ROuting Protocol for link quality channel diverse cognitive networks, *Journal of Network and Computer Applications* (2018), doi: 10.1016/j.jnca.2017.12.014.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
