This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Highlights:

- Informal learning and self-organising perspectives in university-community partnerships.
- Highlights long-term research *with* communities – supporting local agenda setting.
- Articulates processes relating to supporting community self-organisation.
- Identifies and contributes to generic issues related to Community OR.
- Connects to new theoretical discussions in support of Community OR.
