This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

ACCEPTED MANUSCRIPT

**Highlights**

- The challenges faced and solutions sought in the community are gendered
- Participant values intersect with other lived experiences to influence decision making
- The decisions reached during OR interventions need to be taken as ‘negotiated’ rather than optimal
