Ensemble of Parameters in a Sinusoidal Differential Evolution with Niching-based population Reduction

Noor H. Awad, Mostafa Z. Ali, Ponnuthurai N. Suganthan

PII: S2210-6502(17)30532-1
DOI: <http://dx.doi.org/10.1016/j.swevo.2017.09.009>
Reference: SWEVO312

To appear in: *Swarm and Evolutionary Computation*

Received date: 28 June 2017
Accepted date: 15 September 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
