

## Accepted Manuscript

Title: Positive or negative solutions to first-order fully fuzzy linear differential equations under generalized differentiability

Author: M. Chehlabi T. Allahviranloo

PII: S1568-4946(18)30315-6

DOI: <https://doi.org/doi:10.1016/j.asoc.2018.05.040>

Reference: ASOC 4906

To appear in: *Applied Soft Computing*

Received date: 16-8-2016

Revised date: 19-4-2018

Accepted date: 25-5-2018

Please cite this article as: M. Chehlabi, T. Allahviranloo, Positive or negative solutions to first-order fully fuzzy linear differential equations under generalized differentiability, *Applied Soft Computing Journal* (2018), <https://doi.org/10.1016/j.asoc.2018.05.040>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
