Accepted Manuscript

A review of numerical techniques approaching microstructures of crystalline rocks

Yahui Zhang, Louis Ngai Yuen Wong

PII: S0098-3004(17)30821-X

DOI: 10.1016/j.cageo.2018.03.012

Reference: CAGEO 4111

To appear in: Computers and Geosciences

Received Date: 31 July 2017
Revised Date: 18 March 2018
Accepted Date: 22 March 2018

Please cite this article as: Zhang, Y., Wong, L.N.Y., A review of numerical techniques approaching microstructures of crystalline rocks, *Computers and Geosciences* (2018), doi: 10.1016/j.cageo.2018.03.012.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

ACCEPTED MANUSCRIPT
