This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

ACCEPTED MANUSCRIPT

Highlights

- We have changed the title of our manuscript to "Deep Unsupervised Learning with Consistent Inference of Latent Representations" according to the suggestion of Editor in Chief. Please kindly check it in the revised manuscript.
- We have modified several unseemly descriptions in our manuscript, following the suggestion of reviewer #3.
- We have further improved the manuscript by rewriting several sentences and paragraphs. Please kindly check them in the revised manuscript.
