

Accepted Manuscript

Title: Influence of gastrointestinal tract on metabolism of bisphenol A as determined by in vitro simulated system

Authors: Yonghua Wang, Min Rui, Yang Nie, Guanghua Lu

PII: S0304-3894(18)30350-9
DOI: <https://doi.org/10.1016/j.jhazmat.2018.05.011>
Reference: HAZMAT 19377

To appear in: *Journal of Hazardous Materials*

Received date: 16-9-2017
Revised date: 30-4-2018
Accepted date: 7-5-2018

Please cite this article as: Wang Y, Rui M, Nie Y, Lu G, Influence of gastrointestinal tract on metabolism of bisphenol A as determined by in vitro simulated system, *Journal of Hazardous Materials* (2018), <https://doi.org/10.1016/j.jhazmat.2018.05.011>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Influence of gastrointestinal tract on metabolism of bisphenol

A as determined by *in vitro* simulated system
