

## Accepted Manuscript

Title: Effect of *Laminaria japonica* polysaccharides on lipids monolayers at the air-water surface

Authors: Juanjuan Yang, Changchun Hao, Runguang Sun

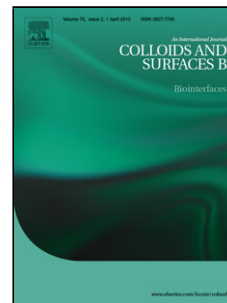

PII: S0927-7765(17)30777-4  
DOI: <https://doi.org/10.1016/j.colsurfb.2017.11.041>  
Reference: COLSUB 8992

To appear in: *Colloids and Surfaces B: Biointerfaces*

Received date: 27-7-2017  
Revised date: 20-10-2017  
Accepted date: 15-11-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Effect of *Laminaria japonica* polysaccharides on lipids monolayers at the air-water surface
