

# Accepted Manuscript

Effect of SDS on Whey Protein Polymers. Molecular Investigation via Dilute Solution Viscometry and Dynamic Light Scattering

Ahmed S. Eissa

PII: S0268-005X(18)30728-8  
DOI: 10.1016/j.foodhyd.2018.07.046  
Reference: FOOHYD 4575  
To appear in: *Food Hydrocolloids*  
Received Date: 22 April 2018  
Accepted Date: 26 July 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Effect of SDS on Whey Protein Polymers. Molecular Investigation via Dilute Solution Viscometry and Dynamic Light Scattering

Running Title "Effect of SDS on Whey Protein Polymers"

Ahmed S. Eissa

Department of Chemical Engineering, Cairo University,

Cairo, Egypt, 12613
