Dielectric and electrophoretic response of montmorillonite particles as function of ionic strength

Y. Tsujimoto, C. Chassagne, Y. Adachi

PII: S0021-9797(13)00278-6

DOI: <http://dx.doi.org/10.1016/j.jcis.2013.03.033>

Reference: YJCIS 18690

To appear in: *Journal of Colloid and Interface Science*

Received Date: 25 February 2013

Accepted Date: 25 March 2013

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Dielectric and electrophoretic response of montmorillonite particles as
function of ionic strength**
