Title: Thermal analysis of directional pressure annealed $\text{Fe}_{78}\text{Si}_9\text{B}_{13}$ amorphous ribbons

Authors: X. Wang, J. Pang, L.Y. Guo, H.J. Ma, K.B. Kim, W.M. Wang

PII: S0040-6031(18)30004-2
DOI: <https://doi.org/10.1016/j.tca.2018.01.004>
Reference: TCA 77913

To appear in: *Thermochimica Acta*

Received date: 5-8-2017
Revised date: 5-1-2018
Accepted date: 5-1-2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Thermal analysis of directional pressure annealed Fe₇₈Si₉B₁₃ amorphous ribbons
