Multistage process for the production of bioethanol from almond shell

Imen Kacem, Mohamed Koubaa, Sameh Maktouf, Fatma Chaari, Taha Najar,
Moncef Chaabouni, Nadia Ettis, Semia Ellouz Chaabouni

PII: S0960-8524(16)30351-0
DOI: <http://dx.doi.org/10.1016/j.biortech.2016.03.057>
Reference: BITE 16247

To appear in: *Bioresource Technology*

Received Date: 12 January 2016
Revised Date: 9 March 2016
Accepted Date: 11 March 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
