

Accepted Manuscript

Stratification structure of polysaccharides and proteins in activated sludge with different aeration in membrane bioreactor

Haifeng Zhang, Haihuan Yu, Lanhe Zhang, Lianfa Song

PII: S0960-8524(15)00689-6
DOI: <http://dx.doi.org/10.1016/j.biortech.2015.05.025>
Reference: BITE 14996

To appear in: *Bioresource Technology*

Received Date: 10 March 2015
Revised Date: 9 May 2015
Accepted Date: 11 May 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
