Combined performance of biochar sorption and magnetic separation processes for treatment of chromium-contained electroplating wastewater

Sheng-ye Wang, Yan-kui Tang, Kun Li, Ya-yuan Mo, Hao-feng Li, Zhan-qi Gu

PII: S0960-8524(14)01419-9
DOI: <http://dx.doi.org/10.1016/j.biortech.2014.10.007>
Reference: BITE 14050

To appear in: *Bioresource Technology*

Received Date: 9 August 2014
Revised Date: 30 September 2014
Accepted Date: 1 October 2014

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Combined performance of biochar sorption and magnetic separation
processes for treatment of chromium-contained electroplating
wastewater**
