Evaluation of direct transesterification of microalgae using microwave irradiation

Chee Loong Teo, Ani Idris

PII: S0960-8524(14)01456-4

DOI: <http://dx.doi.org/10.1016/j.biortech.2014.10.035>

Reference: BITE 14078

To appear in: *Bioresource Technology*

Received Date: 13 September 2014

Revised Date: 7 October 2014

Accepted Date: 8 October 2014

Please cite this article as: Teo, C.L., Idris, A., Evaluation of direct transesterification of microalgae using microwave irradiation, *Bioresource Technology* (2014), doi: <http://dx.doi.org/10.1016/j.biortech.2014.10.035>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
